crayons

Make a New Object

Ask a question: Can you make a different object using building blocks?

- 1** **Look** at the picture. Make a house using building blocks. Then draw it.

- 2 Take apart the blocks. Make a new object. Then draw it.

- 3 **Record.** Describe what you made.

- 4 **Communicate**
How can you make different objects using blocks?

- 5 **Discuss** your results with your classmates.
